Dear Parents & Grandparents:

Smokey Bear passes out "Prevent Wildfires" bracelets to the preschoolers

Our Word of the Week is **DILIGENCE**

When we think of diligence, we can almost hear the words "focus, focus, focus." Diligence is the quality of being careful and paying careful attention.

Any skill we need in life is seldom instantly available to us. They come as the result of diligence, careful and patient practice. Charles Dickens said, "I never could have done what I have done without the habits of punctuality, order, and diligence, without the determination to concentrate myself on one subject at a time."

We see that kind of diligence even in our youngest students as they carefully focus on their work. One of our first ladies, Abigail Adams, once said, "Learning is not attained by chance, it must be sought for with ardor and diligence." To accomplish great things takes diligence at small things going step by step, working at it with all of our hearts.

SMOKEY BEAR VISITS THE CHILDREN'S HOUSE

On Wednesday, in observance of Fire Prevention Week, Smokey Bear came with his friends, Miss Michelle and Mr. Jack, to visit our students. A cute video and short skit were presented to the children. We had a few children volunteers go on stage and try on firefighter's gear. Special slap-on bracelets were given to those students answering questions correctly and "Coloring Books for Smokey's Friends" were sent home with all preschoolers and kindergarteners. At the end of the presentation, each child received a "Prevent Wildfires" bracelet.

We would like to express our appreciation to the State of Hawaii, Division of Forestry and Wildlife for volunteering their time and effort to put together a very educational presentation on how to prevent wildlife fires! A special mahalo to Mr. Ryan Peralta, father of Ayden in Pod 2, aka Smokey Bear, for coordinating this entertaining and informative event for our students.

God Bless,

The Children's House Administration
