HEALTHY HEART DAY

Every Spring, at The Children's House, we have a special day for our students and staff called Healthy Heart Day (HHD)! The purpose of HHD is to strengthen our appreciation for the wonderful bodies our Good Shepherd has given us! In the weeks leading up to HHD, our students will be learning about ways to keep their bodies, minds and spirits healthy, such as practicing good personal hygiene, making healthy food choices, and staying physically active.

Healthy Heart Day will be on:

Friday, April 24th

On HHD, students will participate in a variety of fun physical activities that they have learned in PE. There will be a variety of stations that include running races, obstacle courses, tumbling mats, a dance party and inflatable bouncers. Students will also be provided with a healthy snack, reminding them to make healthy food choices to keep their bodies energized. This is definitely one of the most exciting events of the year!
