

The Children's House

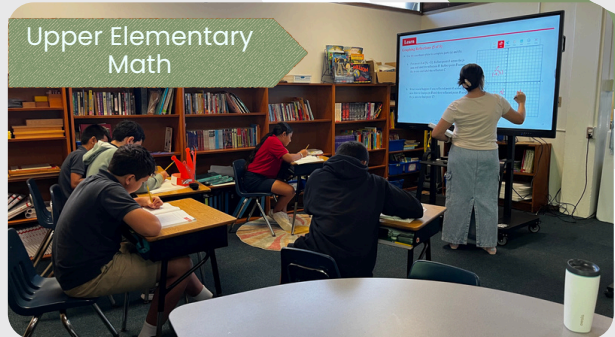

FEBRUARY 2026

*"Whatever you do, work at it with all your heart,
as working for the Lord, not for human masters."
~ Colossians 3:23 NIV*

RE-REGISTRATION FOR THE 2026-2027 SCHOOL YEAR

Thank you parents for submitting your Parent Contracts for the 2026-2027 school year. The deadline to register is **Friday, February 6th**. If you need a printed copy of the registration form, or have any questions, you may contact the office. The registration fee is refundable through May 10, 2026.

If your child will **not** be returning for the 2026-2027 school year, please let the office know.

Federal Tax ID: 99-0340922

State Tax ID: GE-012-745-7280-01

Preschool - Metal Inset

4th Grade - Reading

Valentine's Day Cards

Students are allowed to bring Valentine's Day cards to pass out to their classmates. Please do not include any candy, stickers, tattoos, etc... Additionally, please do not bring in goodies or goody bags for Valentine's Day. Only items requested by the teacher will be permitted on campus.

For preschool and kindergarten, please do not put names on the envelopes. This makes passing out the cards easier for the teachers. Thank you for your cooperation.

2026 SUMMER SCHOOL PROGRAM

The Children's House is pleased to announce our exciting Summer School Program which will begin Monday, June 1st through Friday, July 10th. For Summer School, students will be placed in the grade level they will be in for the 2026-2027 school year.

This year's Summer School theme ***Then, Now and Wow*** invites students to explore the past, connect it to the present, and imagine the possibilities of the future. Through age-appropriate activities, students examine how things were done *then*, compare them to how we live and learn *now*, and discover exciting innovations and ideas that make us say *wow*. This theme encourages curiosity, critical thinking, and reflection as students build an understanding of change over time. By blending history, current experiences, and future-focused learning, Then, Now and Wow supports academic growth while fostering creativity, engagement, and a deeper appreciation for how learning and the world continue to evolve.

Registration Forms along with additional information will be emailed in March. Our Summer School program is available to students who are currently enrolled in the 2025-2026 school year.

Kindergarten Field Trip to Kako'o Oiwi
~ Our job was to help *hehi* the kalo lo'i. We worked together to stomp in the lo'i, which helps to aerate the soil and mix the organic matter with the existing soil.
