2026 SUMMER SCHOOL PROGRAM

The Children's House is pleased to announce our exciting Summer School Program which will begin Monday, June 1st through Friday, July 10th. Our Summer School program is available to students who are currently enrolled in the 2025-2026 school year. Students will be placed in their upcoming grade level for the 2026-2027 school year.

This year's Summer School theme ***Then, Now, and Wow*** invites students to explore the past, connect it to the present, and imagine the possibilities of the future. Through age-appropriate activities, students examine how things were done *then*, compare them to how we live and learn *now*, and discover exciting innovations and ideas that make us say *wow*. This theme encourages curiosity, critical thinking, and reflection as students build an understanding of change over time. By blending history, current experiences, and future-focused learning, *Then, Now, and Wow* supports academic growth while fostering creativity, engagement, and a deeper appreciation for how learning and the world continue to evolve.

Registration Forms along with additional information will be handed out at your Parent/Teacher Conferences on Thursday and Friday, March 5th and 6th.

4th - 6th Grade Study Field trip to Hawai'i island

Thank you to everyone who contributed to the fundraising success for this trip by purchasing from our concession on Movie Night, Panda Express Night, Bake Sale, and Huli Huli Chicken Drive. The students had a blast!
