

The Children's House Newsletter

Welcome Back to School!

Welcome TCH Families! Last week was a great start to the new school year, with the returning students getting back into routines, happy and excited to see their friends and teachers. This week, we welcome the new preschoolers and their families to our TCH family! We are so happy and blessed to see new faces and are looking forward to getting to know you each better with each passing week.

In this first schoolwide newsletter, we will share a few reminders to help us all come back safely and ready for each day. Please continue to keep an eye out for our schoolwide newsletter at the beginning of each month. We begin each newsletter with a description of the upcoming Words of the Week for that month, and then add in reminders and information regarding special dates, finances, and email addresses.

Mahalo and let the journey begin!

Important Reminders:

Preschool Families - You may walk your child to class until they feel ready to be dropped off curbside. If the exit gate is open near the church, exit there to alleviate foot traffic and help prevent parents from crossing while walking through campus.

Upon entry to campus, all accompanying adults must scan their QR code to enter. Everyone must temperature check and sanitize their hands.

While driving through the parking lot, use your **blinkers** - "**left**" to indicate that you would like to park and "**right**" for curbside drop-off.

A parking attendant will help direct you to the *safest* available parking stall (this may not be the nearest stall to the brown gate).

USE THE CROSSWALKS - To keep our students and families safe, only cross the road using one of the designated crosswalks.

Coming Up in September...

Next month's newsletter will have important information regarding parent-teacher conferences and school picture taking days.
